

Power Lock Ultimate Protection Lady Line - Polymer Sealing Blend -

Product Description

Menzerna Power Lock Ultimate Protection Lady Line is the long-lasting polymer coating sealant for all automotive clear coats. Power Lock Ultimate Protection Lady Line effectively seals the coating surface for long-lasting preservation. Protects against damaging environmental influences while maintaining a brilliant deep gloss and it persuades with a maximum beading effect. In pink color and with coconut smell, the limited sealant is something very special.

<p>General information:</p> <p>Product Group: Protection</p> <p>Application: Detailing</p> <p>Service life: up to 6 Month</p> <p>Storage: 5-30°C, avoid frost and direct sunlight</p> <p>Colour: Green</p> <p>Volumes: 250 ml: 22066.281.133</p>	<p>Chemical information:</p> <p>Density: 1,0 kg/l</p> <p>Viscosity: 4-10 Pas</p> <hr/> <p>Technical information:</p> <p>Polishing tool: Wax Foam Pad</p> <p>Speed recommendation for hard paints: Orbital: lower speed range (also manual usage with Hand Applicator or Microfiber Towel possible)</p> <p>Pressure recommendation: Low pressure</p>
---	---

Recommended Usage

- Clean surface thoroughly prior to polishing.
- Shake the bottle prior to use and apply the following quantity of the product onto the polishing pad.
Recommendation for a 40cm x 40cm area:
Pad with a diameter of 95mm: 3-4 pea-sized drops
Pad with a diameter of 150mm: 5 pea-sized drops
Pad with a diameter of 180mm: 6-7 pea-sized drops
- Use the Menzerna Wax Foam Pad in the event of heavy signs of use.
- Use an orbital polishing machine and use the cross-coating method.
Apply light, even pressure while polishing and extend the product with a constant low machine speed.
- At first, the polish will seem a little milky and should be worked in until only a slightly transparent/oily film is visible.
- Leave the sealant to dry for 25 to 30 minutes, then remove any residual polish with the Premium Microfiber Cloth, without applying any pressure.
Leave the sealant to harden in a protected area for at least 3 hours.
- Optionally, you can reapply Power Lock Ultimate Protection Lady Line after 4 hours for a longer-lasting sealing effect.
